Dear Doug:

25X1A

25X1A

We have received authorization from [REDACTED] Employee No. [REDACTED] to increase his monthly pay from \$60.00 to \$100.00 for each four week period. We will be unable to make this effective on our records prior to December 3. Therefore, will you please make this change effective December 3 and payable December 30, which would coincide with the four week spans starting with September 9. Should it prove impossible for you to commence this payment on December 30, we would appreciate your so advising us.
